Headers: SF Pro Heavy

Content: SF Pro Medium

`Code: Menlo Regular`

Header

Paragraphs are medium and make use of negative space. ~1.5 line height and plenty of subdivisions in the text sections.

Subheader

Paragraphs are medium and make use of negative space. The space after a paragraph is rougly double of before.

```
> Terminal header
```

This allows for headlined list items or callouts during a text.

```
> Terminal header
```

This allows for headlined list items or callouts during a text.

Callouts can also be bold paragraphs!
[Links are underlined purple.](#)
